Self-Discovery & Career Counseling

DATE: 30TH SEPTEMBER 2022
TIME: 3:00 PM TO 5:00 PM

Kickstart the day with Multiple Intelligence Test:

Multiple Intelligence Test (MI Test) is based on the Multiple Intelligence Theory of Prof Howard Gardner, a renowned education psychologist at Harvard University. The Multiple Intelligence Framework rests on eight intelligences as depicted in the pictogram. MI Test is an excellent first step in commencing one's self-discovery. After the test, a student gets MI Test Report along with interpretative guidance to help understand the results and make informed academic and career choices.

The Five steps plan:

- When to Start
- How to start
- Where to research
- Building profile
- Solving the jigsaw of Career planning

Career Counseling: This session will help you!

Be someone for you to talk to about your thoughts, ideas, feelings, and concerns about your career and educational choices, who will help you sort out, organize, and make sense of your thoughts and feelings.

Help you identify the factors influencing your career development, and help you assess your interests, abilities, and values.

Help you locate resources and sources of career information.

Help you to determine next steps and develop a plan to achieve your goals.
